

All you need for your communications

Lister Communications keeps businesses talking. We provide the voice and data infrastructure to allow you to talk and communicate with colleagues, suppliers and clients. With a strong focus on customer service, we have an established history of supplying, installing and maintaining first-class communication solutions across the UK.

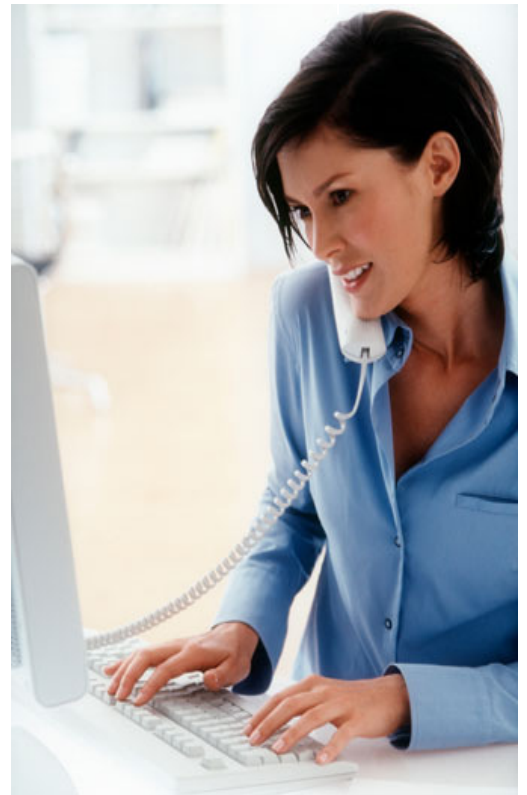

Our Solutions and Services

Flexibility is at the core of our offering and this allows us to meet the needs of a wide range of businesses.

- Telephone Systems from 3 to 500 extensions
- Video Conferencing, from desktop to multi site solutions
- Mobile Communications, Blackberrys, PDA's
- Site Radios
- Consultancy, installation, maintenance & support
- Fleet management & tracking solutions

We have worked with Lister Communications for 5 years and our businesses have grown alongside each other. They consistently deliver great service and they always come to us with new ideas on ways in which we can improve communications in our business."
